

# Feel Feminine Again

## VAGINAL REJUVENATION & COSMETIC SURGERY

Pregnancy and childbirth are one of life's most rewarding and beautiful experiences, however some women experience devastating side effects. Childbirth can lead to vaginal relaxation and change in sexual function and sensation.

Do you have lack of sensation during intercourse, or feelings of embarrassment about the appearance of your genitalia or enlarged labia? Have you experienced vaginal childbirth, resulting in vaginal relaxation? If so, Atlanta Urogynecology Associates has a solution.

Internationally renowned pelvic and vaginal surgeons, **Drs. Miklos and Moore** help women feel young again by rejuvenating the vagina and enhancing the appearance of the female genital area to its more youthful state.

***Drs. Miklos and Moore have personally performed surgery on patients from 46 STATES and 25 COUNTRIES.***
